of parental rights.

(b) The department shall provide the notice required by

4 24 hours.

5 (c) If a child has been reported as a missing child under
6 Subsection (a), the department shall notify the persons described
7 by Subsection (a) when the child returns to the child's substitute
8 care provider not later than 24 hours after the time the department
9 learns that the child has returned or as soon as possible if a
10 person entitled to notice cannot be notified within 24 hours.

11 (d) The department shall make continuing efforts to

21 on a quarterly basis if the child is 15 years of age or younger to
22 determine whether sufficient efforts have been made to locate the
23 child and whether other action is needed.

24 (e) The department shall document in the missing child's
25 case record:

26 (1) the actions taken by the department to:

27 (A) determine the location of the child; and

(3) any discussion with law enforcement officials following the return of the child regarding the child's absence;
and

(f) After a missing child returns to the child's substitute care provider, the department shall interview the child to determine the reasons why the child was missing and where the child stayed during the time the child was missing. The department shall report to an appropriate law enforcement agency any disclosure made by a child that indicates that the child was the victim of a crime during the time the child was missing. The department shall make a report under this subsection not later than 24 hours after the time the disclosure is made. The department is not required to interview a missing child under this subsection if, at the time the child returns, the department knows that the child was abducted and another agency is investigating the abduction.
